# FROM THE PRESIDENT

September 29, 1964

## APPRECIATION FOR A JOB WELL DONE

I wish to take this opportunity to express the appreciation of the College to each member of the faculty and staff for the cooperative effort and hard work which have characterized the beginning of the 1964-65 school year. You are to be especially commended for the smoothness and efficiency with which freshman orientation, registration, and the commencing of classes have been carried out. The highly successful beginning of the fall semester gives every assurance that we will be successful in meeting the challenge of making this another great year for Western. It is this type of continuous effort that will insure the sustained progress which is so necessary in the future.

## THE 1964-65 STUDENT BODY AT WESTERN

The last day to enter a course for credit with a reduced load is tomorrow. Therefore, the official enrollment figure will be released on Thursday, October 1. You will be pleased with the final results which reflect consistent and orderly growth.

## SPECIAL MEETING OF THE FACULTY AND STAFF

There will be a special meeting of the faculty and staff on Thursday, October 15, at 3:15 p.m. in Van Meter Auditorium. This advance notice is sent to you in order that arrangements can be made to avoid any conflict which might prevent 100 percent attendance. Those who have classes scheduled at that hour are requested to make other arrangements, and nothing less than an emergency should prevent any one of us from being present.

The College has gone to considerable effort and expense in order that our faculty and staff might hear Dr. Ernest O. Melby, outstanding lecturer from Arizona State University, who will address us on this occasion. Dr. Melby, who is now a Visiting Professor, is former Director of the Bureau of Educational Research at the University of Minnesota. Among the institutions of higher education at which he has served with distinction are the University of Minnesota, Northwestern University, Montana State University, and the University of Montana.

## OTHER IMPORTANT EVENTS AND ACTIVITIES

Sunday, October 4: The appearance of the Louisville Orchestra. The Orchestra will play in Van Meter Auditorium with a youth concert at 1:30 p.m., followed by a regular concert at 3:15 p.m. A small admission fee will be charged (25 cents for students and 50 cents for adults), with the proceeds to be used for Western's Music Scholarship Fund.

Friday, October 16: Annual meeting of the Third District of the Kentucky Education Association. A copy of the program will be sent to you within the next few days. Only classes scheduled for the Academic-Athletic Building will be dismissed on that day.

Saturday, October 24: KEA-FESS Seminar. Western will host approximately two hundred superintendents, school board chairmen, PTA presidents, and members of other organizations when the Kentucky Education Association and its Commission on Finance Education and Salary Scheduling hold an all-day seminar in the Academic-Athletic Building.

Wednesday, October 28: Campus-wide Chapel Assembly, Homecoming Preview. An interesting and informative program is being planned, and you will want to be present in the E. A. Diddle Arena of the Academic-Athletic Building at 10:20 a.m.

Saturday, October 31: Western's Annual Homecoming! You will be provided later with more detailed information regarding one of the most significant events in the life of the College. **HOMEcoming.** Your active participation in the numerous activities which are being planned will not only provide you with an abundance of personal pleasure, but will render a great service to the College. Make your plans now to be present.

## KENTUCKY EDUCATION ASSOCIATION

At an early meeting of the faculty and staff, each of us will have the opportunity to take membership in our leading state and national professional organizations, the Kentucky Education Association and the National Education Association.

## UNITED GIVERS FUND

The College wholeheartedly endorses the United Givers Fund and encourages your support. A pledge card is attached for your convenience in giving, the United Way, to deserving and worthy causes. It will be appreciated if you will channel your contribution through the College. The President's outer office has again been designated as Western's UGF headquarters.

## CHANGES IN PERSONNEL DIRECTORY

For those who wish to keep the Personnel Directory and listing of switchboard extension numbers up-to-date, an addendum is attached for this purpose.

\* \* \* \* \*

By the time this memorandum reaches you, I will be in San Francisco attending the annual meeting of the American Council on Education. I shall also attend the meeting of the Association of State Colleges and Universities, which is now headed by a Western graduate, Dr. Glenn Kendall, President of California's Chico State College. These two meetings are addressing themselves to some of the most important problems affecting higher education today, and I look forward to a most rewarding experience.

Kelly Thompson
